## 2012 1st Quarter Meeting

JANUARY 25, 2012

### Developing a Robust Continuous Audit Tool

Nick Panneri & Rene Kennedy, Enterprise Rent-A-Car

Nick and Rene will show us how they combined SQL and ACL to provide a continuous audit tool with an efficient exception management solution that has the flexibility of being able to access reports without having to be "ACL" proficient.

Wednesday, January 25, 2012

Registration and Lunch - 11:30 am  
Meeting 12 - 1

The Center of Clayton  
50 Gay Avenue  
Clayton, MO 63105
